Look, UGH THIS IS HUMILIATING! I'm a 22 yr. old guy, kinda new here. Not many Black girls where I come from. Here there is, and you're thick too. O...oo! I've acted cocky with girls, cuz I used to take karate, and bragged to other girls about it so they wouldn't slap my face, they'd think it'd get blocked or ducked. Well this 1 thick (5'8, 1900 Black girl I was trying the same game on....ugh!!!! She told me how she had slapped her ex, once with each hand, both sides of his face. I smirked, told her I had taken karate. I KNEW it wouldn't happen to me. Yesterday I was cracking some fun, and she put out her right hand to slap. Kinda slow and I blindly reached my hand out, shut my eyes, and *BARELY* blocked her hand! I smirked at her. She didn't look worried. That confused me. I looked down, and she had ALREADY flipped out her LEFT hand and had it hung out to slap! I was like O...ooo??? And I froze, shut my eyes, got *SLAPPED, ugh!* face turned. I put my hand on my cheek, humiliated, looked at her. She goes "HMPH!" and flipped out her RIGHT HAND to slap again! But FASTER and farther back this time. Her speed, AWGH! I looked at her face, she goes, 'hmph!' and I shut my eyes. I knew. Unblockable. Unduckable. I can't. I got *SLAPPED* again, face turned to the other side. DAMN HER!!! Okay, that karate crap DOES NOT work on you Black girls ok? You happy? I admit it. It's humiliating, but I'm dropping the act. You say when and where, and I've got \$250 for each of you. That's it. My way of admitting it. If you're 1 of them, and have had to on guys like me, then here it is. That's all there is to it. It's humiliating!! Text.
