Female German Shepherd / mix who just turned 2 yrs in October. She was up to date with her shots and she is due this month for her yearly. House trained, crate trained, knows basic command - very energetic and needs to run. She's fixed and ready for a forever home. She comes with what's left of her food, vets records and her crate and her favorite toys. The reason we need to find her a home is because we are leaving the Country. She's a very loving dog and a good guardian.
 Rehoming fee: \$300.00
