

Luminess Air Make up System (135 USD)

Location **California**
<https://www.genclassifieds.com/x-710862-z>

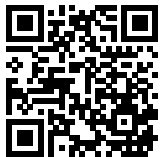

Completely NEW(never used) Luminess Air airbrush system with 2 full make up kits, completely sealed. Shades 5 and 6 along with darker and lighter shades. Also includes a special primer and blush to be used with the system . I paid \$252 dollars for all products described(still have the receipts).

I bought it w/ intention to use at a wedding that I was a bridesmaid. It turned out the Bride had a make-up artist to do our make up, so was never a need for me to open the Luminess Air system. It's absolutely NEW.

It includes the Machine, the instruction booklet and DVD that explains how to use the system.
\$135 OBO

I'M OPEN TO TRADE IT as well for something that is at least \$135 dollars worth.
Just make me an offer! Thank you! I can also drive to you to drop it off and pick up the item that's going to be traded for.

Thanks
Lulu
