I am looking to hire someone to model some lingerie for me. I am an amateur photographer interested in building a personal portfolio. The idea of the shoot is erotic lingerie so you would be posing in some really nice outfits all of which I will provide and everything is brand new in the box. Some of the outfits are skimpy but nothing nude is required. This is a paid for shoot and will be by the hour and it will be roughly 3-4 hours. If your interested please email me back with some info about yourself, age, location and any pictures of yourself you can send. The more the better, mainly to match you up with the outfits as sizes vary greatly. I want to add that this is a totally legit posting, I am not interested in anything illegal whatsoever. I want to repeat, NOTHING illegal at all. This ad is for a photoshoot only. Any questions feel free to ask, thank.
