I'm a professional photographer seeking a fit/muscular/stylish and good looking guy who wants to start building their portfolio. We can start with some headshots and go from there. No nudity involved. Looking for someone between the ages of 18-25 and 5'8" or taller.

If you are interested, please SEND an email with your name, age, email, height and a picture of yourself. Serious inquiries ONLY. If you don't plan on reply or sending the required information, don't respond to the ad.

Please be professional if you are truly serious.

Must travel to studio in West Hartford, CT. Samples of my work available upon request only AFTER required information is provided. I'm 27 and mainly shoot weddings.

Thank!
