

Looking for small breed dog

Location **Delaware** https://www.genclassifieds.com/x-710916-z

Hi I'm looking for a small breed dog. Age and sex doesn't matter. We want to give any small dog a chance. Looking to be free or small rehoming fee. We have a large house with a lot of land so plenty of room. Please email me if you can help thanks! We have checked local shelters but still no luck! ? I hope someone can help us give a puppy dog a forever!
