

# General Labor, Help around the house

Location **Hawaii**  
<https://www.genclassifieds.com/x-710929-z>

Just moved to Oahu to start a business, but I am looking to work on the side until things get up and running. Looking for flexible work around the house, or where ever you may need me. I have reliable transportation and I am willing to travel. I am also 29 and in good shape so heavy lifting shouldn't be a problem. Please shoot me an email or text if you would like to talk.
