Aloha, fellow pet lovers and owners!

I am currently offering the following pet care services: daily pet/house visits, in-your-home pet sitting, dog walking, and simple grooming. Big, small, feathered, furred, scaled, you name it, I'll care for them like they were my own. Service rates start at just \$10.

Daily house visits and in-your-home pet sitting helps your pet(s) feel a lot more comfortable and less stressed when you are away for long periods of time, whether you're at work or on vacation. Daily house visits can be for letting your dog out to potty, for feeding purposes, or even for simply giving them their daily dose of medication.

Dog walking is offered for 30 minute sessions or 1 hour sessions, either once or twice a day. This service is available while house visiting and pet sitting as well.

Simple grooming includes feather trimming, ear cleaning, nail trimming, anal glands, shampooing, conditioning, and 1 length fur trimming. I am currently taking classes to better my grooming skills and will soon offer other fur styling options.

For more information please visit [maikaipetcare.com](http://maikaipetcare.com).

I look forward to meeting you and your feathered, furred, and scaled babies!!
