GenClassifieds.com

C.Net Developer, Java Developer, Ruby Developer Wanted (dmv)

Location **Washington**
https://www.genclassifieds.com/x-710938-z

Hello!
I currently have clients looking for developers. Please email with your resume, job start date availability, salary rate, hourly rate (W2, not 1099), commute preference, stats and information so we can connect you to a great development job in the DMV area. Thank you!

As the nation's leading staffing agency for digital creative and technology talent, Onward Search is focused on one thing and one thing only--We connect the most talented professionals in the country with nation's best interactive agencies and most innovative companies.
