We are a distributor of Prefinished Hardwood Flooring and related flooring products from the St Louis area and are interested in expanding to Kansas City. We have several lines of prefinished floor. I am looking for a sales rep (commissioned) to call on flooring dealers, or large home builders setting up a dealer and builder base in Kansas City metro area. You can go as far as you wish to travel out from Kansas City and establish your base. We have a complete line with display racks etc for the dealers. All we ask is that you invest your time and gas and we will pay a great commission. call
