

Lost Dog (Pualani Estates)

Location **Hawaii**
<https://www.genclassifieds.com/x-710957-z>

Our dog went missing on the afternoon of 11/2. She's a pointer mix by the name of Mahina. Brown and white, brown eyes and medium build. She's not wearing a collar. She's likely very scared and may not come to you when called. We would appreciate any sighting.
