Bearded dragons for good homes great with children (Belmont)

Location **Massachusetts** https://www.genclassifieds.com/x-710987-z

I have 4 Bearded Dragons that are ready to be adopted into loving family's they are raised around children and animals and are very loving. I own the mother and when I adopted her she was pregnant we had around 40 originally but have been rehomed, 4 one year olds left. My family is looking forward to hearing from you. Any questions you can email the posting and I will get back to.
