Looking for models NOW! Must be 18 or older for these shoots. This project is very particular. All images will be shot using special macro lenses to capture close-up detail of your inner labia. If you've got what I'm looking for (longer inner labia) and your comfortable in front of the camera, send me an email to get started right away. I am very professional and discrete and I do have lots of references if requested. None of the images will be identifiable. Not looking for obese women. looking for slim/slender/athletic/petite/proportionate women with longer inner labia and/or large clitoris are encouraged to apply. No previous modeling experience is required. Compensation is $275 for the shoot. Send photo(s), availability, experience, age, weight, and height for.
