

# Womens undergarment casting call (Miami)

Location **Florida**  
<https://www.genclassifieds.com/x-710995-z>

To whom it may concern,

My name is Jessica Madison, and I am co-partner to our recent startup, FM Consulting. We're currently looking for women to do some promotional modeling for our company via 2-hour photo shoot. I will give a little background on our company. What we believe in here at FM Consulting is the natural beauty of the body. Our mission is to reduce the socio-political climate of what is seen as beautiful by over-identifying with natural. The purpose of the photos will be for the construction of our upcoming site. The style will have a similar vibe to ESPN's body issue series (if you're wondering how the images will display).

The compensation will be \$150 per hour for the secondary model and \$225 per hour for the lead model (cash). Our team finds the price is more than fair for the style of work that we will be doing. The style of the shoot will range spandex to thong bottoms. The tops will range from tank-tops to sport bras to topless. If you are a secondary role, the requirement is tank-tops and thongs, if you're the lead model then the requirement is topless and thongs.

We only need four more women for the shoot. The team has a particular interest in more ethnic curly head women for the shoot, however, we highly encourage all to apply. The calendar date is currently set for November 7th,
