Missing male yorkie mix. Orange and black off of Bergen rd. We have put up signs and checked all shelters and nothing. But someone keeps tearing down our signs that are all over the place even in owensville all thru Belfast owensville rd Bergen, 131, rt 50 and they just crumble up our signs and throw them right on the ground. If you have our dog or have seen our dog please message me back and we can even meet at that vet BC he is micro chipped. I'll post pictures tomorrow. And if you do have our dog how would you feel if we took your dog away from you? This is my 11 year old daughter dog and I would like to get him back! We pray we do! God bless and thank you for any help! There is a reward for our dog! Please!
