I have the following riding mower projects for sale cash or trade

first is an older MTD riding mower from the late 80s not one of the cheap tin ones it runs/drives good but needs a bushing in the steering , and a throttle cable 44inch cut with a 14hp twin cylinder briggs engine , asking \$200 as is

second is a 15.5hp 42in cut Craftsman LT4000 this tractor needs transmission work runs and will cut grass but transmission stuck in gear and will not release, 15.5hp kohler command engine asking \$300 as it is cash or trade

third is a sears craftsman zero turn mower ,, this mower needs work , supposed to run and mow but the electric clutch burned out ,, this mower needs wiring work , fuel tank and a couple other things fixed but the hydros and tires are all good ,, the plastic is broken up too asking \$350 as it sets

4th is a sears craftsman 50in cut garden tractor , hydrostatic transmission 25hp kohler command engine ,, this mower needs a steering sector and a couple tires fixed , not pretty but will run and cut grass ,,asking \$350 as it sets

these are projects I will be working on over the winter ... or you can buy them now and do it yourself
