Looking for female models to have their body painted. I need practice so I need a model to paint. I'm thinking of a summer theme so summer colors will be used. No experience is necessary, although all candidates MUST be 18 years of age or older since you will be being painted. This is a NON nude gig. No photos unless you want me to take some of you. I want practice before I start shooting my work. If you're interested, please send a few pics with your response & a way to get a hold of you..
