I am a stay-at-home mom to a 11 and 14-year-old. I have a clean home, and love to work with, teach and watch kids grow. I am a hands-on person that gets right down on the floor to play with the kids. I have a great fenced backyard for outdoor play. I provide meals to table-fed kids, and have plenty of snacks for all. I will also work with potty-training children. I have been watching kids for over 10 years now, and have references available upon request. I am centrally located in St. Peters. Your child will receive plenty of individual attention. So if you are interested in a safe, fun, non-smoking environment for your child, please contact me.
