The Regency Communities by CPM offer active adults a luxurious living choice at an extremely affordable price. Marketed and operated for the 55+ year old resident, the Regencies provide a mature community, well appointed, spacious homes and premium amenities geared toward the independent, active adult.

Built in 1998, Regency West set a new standard for adult luxury apartment communities. It was developed for those who expect the best and will settle for nothing less. Plush décor, impressive amenities and apartment homes to take pride in are hallmarks of this exceptional community. Regency West features sixty elegant one and two bedroom apartment homes
