

Chevy Silverado Passenger Tail Light

Location **New Jersey**
<https://www.genclassifieds.com/x-711262-z>

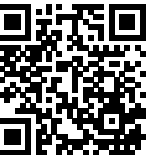

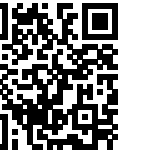

Very good working condition passenger tail light. Good for 2007 Chevy Silverado - would be good for other earlier Silverados as well, I believe, before the new style.

One tab on the back of the unit is broken at the end but this will still attach just fine

Cash/local buyers only

Also have a lower air dam (below bumper cover) for this vehicle - great
