Our Experience

Founders of eMaids, Inc. have over a decade of experience in keeping homes clean and fresh since 2004. With experience cleaning tens of thousands of homes we have developed the most efficient cleaning processes, methods for attracting the best maids, and a 360 degree philosophy of customer service.

You are a valued client, not a number. We want to build a relationship with you, so you can trust that our team will clean your home with as much care and attention as you would yourself. . . if you had the time.

eMaids Experience Checklist

Quality cleaning since 2004
