I am a certified bookkeeper with my own practice who specializes in freelance bookkeeping work. I would like to help you with all of your financial needs so that you can better concentrate and focus on running your business. We use QuickBooks software to maintain accurate and up to date records. All work is performed off site at our location however, I will come in to your place of business to meet with you and discuss the needs of your business. We are available to maintain and produce all financial records such as Profit and Loss, Balance Sheets and Cash Flow Statements. Our rates are affordable and competitive. Send an e-mail to get.
