We are a busy local home window treatment company that sells and installs shutters, blinds and solar screens.

We are looking for help from a few capable people who want to help us go door-to-door and help us set up appointments for in-home design consultations.

If you want to do some door-to-door sales, please contact us. Top pay offered. We need help immediately.

The first qualified applicants will get the gig, so please move quickly if interested.

Thank.
