Hi there. Im a student at MSUM. I'm looking to get a couple of creative pictures for my music. I need them to either use as a thumbnail for soundcloud or youtube. I can pay \$10 for the shoot. It shouldn't take more than an hour. I don't have a space to shoot but i can come to you or if you have a place in mind. I'm not looking for nudity or anything like that. Email me or text a simple pic to see if we can set up a shoot. and ill reply back.
