I am a good painter with a truck who has been painting for a few years and am trying to run my own business. I generally charge somewhere around \$1-1.50 per sq/ft + \$ paint cost & \$ material cost..... I have a good amount of experience and hiring me for the job will SAVE YOU TIME and \$MONEY\$... I probably can't paint any very big commercial jobs but I can paint (PREFER REPAINTS) your house (interior, exterior, walls, ceilings, doors, trim) garage, shed, fence, posts, mail box, trailer, curbs, and decks. I also can do staining, wood refinishing, deck refinishing, caulking, spackling, fixing holes in walls (wall patching/repair), scraping, wall paper removal, sealing, etc.. I am certainly not a jack of all trades, but I can possibly do a few other handy man things around the house if needed. I can just about guarantee I will work for cheaper than any other painter or contractor that you could find in the yellow pages, craigslist or anywhere online. I am an honest Christian man and have references if you need them. Call or text Ethan @
