Hard rock group SOCIAL RELIC looking for drummer - alternative/hard rock genre. Originals and covers, tuning in standard/dropped D.

[www.reverbnation.com/social-relic](http://www.reverbnation.com/social-relic) for samples of our sound.

Goals of the project: 1-2 practices per week and performances 1-2 times per month. Complete collaboration for full album recording with distribution across North America. Rehearsal space currently being rented in Plano, partial kit available for rehearsal use, and professional recording equipment setup in place.

Currently have booked shows in December and January, with additional opportunities on the horizon. Just looking for that elusive 5th member to help make it all happen. IDEALLY, you're over 25 with your own gear and transportation, don't need to live in the studio to get away from your personal drama, and aren't trying to make the music your primary source of income.

Sound like something you can associate with? hit us up, let's schedule a!
