Sadly we have lost some of our grazing land and we just don't have room for the boy's this winter. We have four nice young bulls that will make excellent heifer bulls- a yearling Corriente bull, and one that was just weaned, a purebred Dexter, and a lovely Hereford/Dexter cross. These bulls will produce low birth weight calves that are hardy and quickly spring to their feet. They will certainly make your heifers happy and your life easier at calving time. We are asking \$1,500 for each of the bulls, but we are willing to discuss offers. Please give us a
