If you've ever considered a career in the adult film industry, you probably know how hard it is to get in and make a name for yourself...especially in New England. Well here's your chance.

This is a real opportunity for females, over the age of 18, who have thought about trying out porn. We have a client that is expanding their business in to New England from NY and wants to find local, unrecognized talent.

If you interview and are hired, you will need the following:

An ID birth certificate validating your age and who you are

A drug test (marijuana is ok)

A physical

A contract and non-disclosure stating that you will not leak information about any shoots or company information to any third party.

Reliable transportation and the ability to travel within RI and CT.

For the right females, this pays \$1500-\$4500 a shoot depending on where and when.

For consideration, reply with a headshot, a bio and a phone number. Please do not call us directly about this opportunity. We will be selecting candidates by 12/1 for an interview and hiring for our first shoot in.
