I'm a young (31), very short, smart, wimpy, shy male with a strong work ethic and a very submissive personality. I am looking for someone over 21 with a dominant personality to boss me around.

You could command me to clean your apartment, run your errands, scrub your floors, rub your feet, wash your car, and more. You can order me to slave away at menial and mundane tasks, chores, and errands. This could be a short, weekly meeting.

This is definitely a win-win. I get to be useful to someone with a dominant personality. You get a clean apartment and extra cash. I am looking for someone over 21. An alpha male, alpha female, or alpha.
