I have a 2001 Jeep Cherokee Sport 4X4 with 129K. This is the 4.0 6 cyl. automatic with power locks, windows and mirrors, all in working order. Interior is clean but the body needs some minor repair. The drivers side rocker needs to be patched to pass inspection, and the body molding between the hood and windshield needs to be replaced, as well as the hood adjusted to close completely. Have recently put on front pads and rotors, and has all season Cooper tires with good tread. Jeep runs strong and goes great in the snow. The 4X4 and tranny work as they should. The Jeep is white exterior/black interior. Can text pictures upon request. \$1500 cash firm.
