The Econolodge In Granite City Illinois has Rooms Available!!!

We are currently looking for anyone who might have a housing need during the Football season, and during the Christmas Season! Are you planning on visiting for a day, a week, a month or longer? Look no further! We have the rooms to fit YOUR stay.

We have rooms with both One and Two beds available, but if you want one with two, you'll have to hurry. These rooms go quick! For those of you who are planning on staying with us for a while, we have rooms with kitchenettes available as well, but again, these rooms go quick! For those of you who like to Stay in Style, or if you are just looking for a Romantic Night, we have Jacuzzi rooms available as well. These rooms feature a large jacuzzi tub, a kitchenette, and that's just in addition to all the other amenities that our other rooms offer.

If you are considering a longer stay with us, or if you are looking for temporary housing that might end up being longer term, take this into consideration. We have special pricing available if you plan on staying a week, but the prices get even better if you are planning on staying a month or more! Another thing to consider about staying with us for your longer stay is that, while the price might initially seem higher than an apartment, there are things that you will not get in an apartment. Our rooms are already furnished, they are cleaned daily by our maids, the cost of utilities (including wireless internet and cable tv) are already included in the rent, there is a free continental breakfast, and there is a Refrigerator and Microwave in most rooms!

Please contact us for pricing information, or feel free to stop in and talk to us directly!
