I have an immediate opening for two and above. I have over 13 years of experience with children of all ages. I will provide healthy and nutritious breakfast, lunch, and snacks. I am part on the Vermont food program and also take subsidy with co-pay.

I am participating in STARS program this is Vermont's quality recognition system for child care, preschool, and after school programs. (Programs that participate in STARS are stepping ahead -- going above and beyond state regulations to provide professional services that meet the needs of children and families.) I currently have two star working towards my third.

I am certified in adult/child/infant CPR and First Aid

I have a balanced play and structure-based program. The kids' areas of interest will guide our day to day programs. There will be crafts, music, cooking, and lots of fun! When the weather is cooperating we will be outside in a fenced in backyard, taking walks, and going to the park. We are also bound to get dirty.

I am very conveniently located off of Pearl Street in Essex Junction.

I would love to set up a time to meet with you and your child. Please call or respond to this ad.

Thank You

Kimberly Catella
