Don't you worry your little tiny brain there lefty, we will. The tax money he has saved the actual working taxpayers, the millions in debt the dummocraps ran up, the stolen Dr funds he repaid that doyle ripped off..... I could go on all night but even you hypocrites should get it by now. I will send him the combined savings of his accomplishments. You think your kind of fool has been attacked by Walker?? With the mess obama has made out of the country you haven't seen shit.
