My name is Amanda Fowler and I am having a baby girl November the 23rd, I will need a baby sitter a week or two afterwards! My husband and I own our own business so we have a pretty busy work schedule. I need someone Mon-Fri 8am to 6pm. Our work schedule is different everyday but, that is our usual working hours! I will be interviewing and doing a background check on the person before being hired! You must have experience with newborns. It would be great if the sitter is CPR certified!! I will drop her off if it is in home daycare if it is not I will like the sitter to do the babysitting at our house! Must have reliable transportation and be a NON-SMOKER. If interested please email me back and I will get back to you as soon as possible and we can discuss the pay. You can also text or call me as well. Thanks,
