I am looking for a roommate in my Evergreen home. The room would include utilities: Internet, water, PGE. Here is a washer/ dryer and plenty of storage in garage. This home is close to Evergreen College. I am looking for someone who loves kids and is okay with a small dog (Maltese). I have three kids ages 10,8 and 10 months.

I would like first months rent, \$600 for deposit ( refundable if room and home is the same), and last months rent. We can discuss this in detail or make arrangements.
