Thought I would post up here in Arkansas which is Purple Cow Restaurant Country and find someone that wants to help out and has a heart. You can read my original postings down below. I am basically looking for any sort of memorabilia or souvenirs. I would really like some Purple Cow hats, menus, stuffed cows etc. When they all closed down in Texas my search began and have not had as much luck as I had hoped I have a few T-shirts and some other items. Had several people either send me harassing emails, bully me and even some death threats. Not sure why. I would really love a big sign that was used in front of the restaurant. Please contact me if you have any questions. I am really trying hard here to do this for my friend. Already gone on several trips to try and find some items and even spent a few nights not going to bed and staying up through the night. Thanks for your time.

Does anyone remember The Purple Cow Restaurant here in Dallas? It sadly recently closed down and it was the last open location in the area. I wanted to see if anyone has any old memorabilia from there like old menus, stickers, T-shirts, etc ANYTHING. The girl loved the place and actually cried when she heard that it had closed. Her parents are divorced and it was the only place that she remembers having good memories when her parents were still together. I wanted to see if anyone out there was a old customer, use to work there, had some connection to The Purple Cow, or has something The Purple Cow related. Anything really. I have tried everything that I could think of I even tried contacting the owner, writer of The Dallas Morning News that wrote a story about the closing, even tried eBay, but had no luck. I would greatly appreciate any items or ideas on how to get a holds of some. Thanks.

FOR THE LOW Residuals

Sorry, I just can't give up. Thanks for all the kind words from everyone and thinking it was sweet that I had someone for someone. Unfortunately, the powers were given to help me, but as I have, they were not. I would have more than 24 hours to help out, but they are not. I want to thank the most much for coming up. The only way the place really meant and then I am sure the power is the only way she has there. Even had the place promise to do these things I follow up with him a few times and he won't even respond to my messages. Just very disappointed really. I was just raised that you don't make a promise that you do not intend on keeping. Anyways, if any former employee or customer could help out I would really appreciate.
