

# Vacuum Repair Opportunity (East Hartford)

Location **Connecticut**  
<https://www.genclassifieds.com/x-713544-z>

Please note, this is not a job, this is a business opportunity.

As a large regional cleaning contractor requiring repair work, we would like to develop a relationship with a independent business owner that includes assistance with assets and resources to grow your business.

The assets and resources include:

Initial repair business.

We have access to used vacuums and larger cleaning equipment that can be refurbished for profit.

We also have relationships for the first group of customers.

If you have mechanical skills and a business mind we would like to make an appointment with you and our President to explore this further. You need to forward a history of past business & employment to this ad PRIOR to this appointment being made. Thank
