Funding For Flipping is our sector's # 1 source of working capital for real estate Investors.

With the huge number of property flipping opportunities available in the united state right now, every smart real estate investor knows they need to gain access to as much capital as possible, even if they have their own money and/or private investors money.

HIGHLIGHTS:

Ideal for wholesalers. (Wholesalers could use capital for marketing, tools, as well as outsourcing).
 All experience levels welcome-- any investor who wants to profitably leverage Other People's Money (OPM).

0 % interest rate for as much as 12-18 months.
 No collateral required (if you have a \$250,000+ net worth, you can secure a loan for your business).
 No credit check (including any returns, financial assets, business plan, etc.).
 No fees upfront (only a processing fee).
 NO collateral required.
 Pre-approvals within minutes, and cash in your bank account when 21 days of evidence of funds is provided.
 680+ personal credit profile (could be you or a credit partner).

ADVANTAGES:

Funds can be used for anything, and use does not need to be approved or reported to a lender or partner.

Unsecured Lines Of Credit could be used again and again on new projects without having to pay upfront points every time, as with hard cash.

The general cost of Unsecured Lines Of Credit is very low compared to working with a partner or using a hard money loan.

No collateral is involved, as well as if a deal goes south, there is no property lien that can lead to a foreclosure as well as repossession.

No RESPA limitations or regulations.

Funding ForFlipping has raised over \$500,000,000 in funding for thousands of real estate investors as well as entrepreneurs across America since 2008, as well as are A+ Ranked and also Accredited with the Better Business.
