By becoming a reading partner and volunteering as little as one hour a week, you can help a child strengthen their reading skills, build confidence, and discover a passion for reading. We'll provide ongoing support and a structured curriculum to help you become an effective tutor. Literacy unlocks opportunity. Over the past decade, volunteer reading partners like you have helped students become confident readers by using the Reading Partners curriculum. Our volunteers make a huge impact in the lives of their students. By sharing their passion and knowledge, tutors become mentors, friends, and more to their students. What: Change a student's life by joining our team of committed reading partners today!

Where: Become a volunteer reading partner at one of our four Seattle Locations.

When: 1 hour each week can help a student thrive. You choose a time that works for you (M-Th, 9am-5pm). For more information or to register to volunteer, visit ReadingPartners.org.
