Restoration Chrome Plating & Polishing Bumpers/Stainless Steel Molding (South Sioux City NE)

BEAT THE WINTER RUSH! FREE PICKUP/DELIVERY IN OMAHA AREA!

For over 56 years we have served customers worldwide. Our standards are based on Midwestern values of hard work and quality workmanship. Our team of expert technicians have a combined total of over 175 years of service to the industry and are leaders in processing your parts in a professional and efficient way.

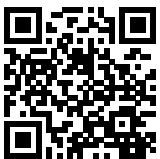

We realize that each and every part is extremely valuable and personal so our standard for restoration plating and restoration chrome work is to process each part like it is our own.

Each piece is examined in detail and any imperfections are marked for repair. Our skilled technicians use fabrication methods as necessary: welding, brazing, grinding, buffing. We will bring your parts back to their original show room condition.

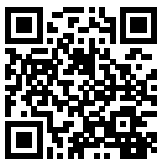

Our specialty is automotive bumpers, guards, etc as well as stainless steel moldings. We also do most die cast/pot metal pieces. Plating / restoration is also available for all kinds of parts: hardware, boats, motorcycles and more.

To insure the highest quality finish, the company's restoration process includes Triple Chrome Plating.
