

Business Development Opportunity (Denver)

Location **Colorado**
<https://www.genclassifieds.com/x-714361-z>

Established brokerage firm seeking talented individuals to come on board and grow within the organization. We offer the industry's highest splits on uncapped commissions and bonuses! For those who are experienced in Merchant Services, we invite you to place one account with us and see what the commissions pays.

What is Merchant Services?

Merchant Services is the industry that revolves around business accepting credit cards as a form of payment. All business owners pay a certain percentage of their monthly credit card income volume to Visa, MasterCard, Discover etc. in order to be able to accept that form of payment.

What we do?

Meet with business owners and lower their existing negotiated rates to save them money and help

them grow their business.

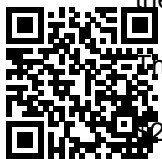

This is a non-exclusive contract relationship with the business owner in the industry.

\$2000 monthly salary after 60 days probationary period.

Pre-qualified appointments provided to our top closers.

Management advancement opportunities available after a 6 month evaluation.

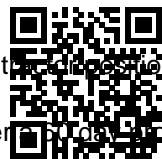

Training provided and no prior experience necessary in Merchant Services or sales in general.
