Help keep curious crawling babies away from off limit areas with the Perfect Fit Dual-Mode Security Gate by Safety 1st. This versatile gate can be used in both pressure mount and hardware mount modes, depending on where it's placed within the home. Hardware mount is ideal for stairways, providing parents convenient swing-open access through the securely mounted gate. Pressure mount is great for hallways and between rooms, allowing the gate to be easily removed when not in use. Both modes of the gate offer perfect fit adjustments, designed to accommodate uneven walls and.
