White pickup KYX 426!!!

To Mr/Mrs KYX426, I hope we find you in good health and alive.

You were driving your white pickup truck downhill Cuamoo from the Homesteads on Monday nov 9th around 20:20 (8:20 pm).

You came behind us doing 60mph on a 25mph road and kept your distance behind US at 2 feet (yes- 2 feet)!

The most troubeling thought to me is that if it was my wife driving she might have actualy respond to your bullying by driving faster and find herself in a crash with two small babies just because your dum-s bully wanted to drive faster.

You were not in a hurry! You just wanted to drive fast!

How do I know? -- cause if you were - you would be having your blinkers ON and you would be flashing your lights -- and I promise you if you did that I would have immediately get out of your way!

But NO -- you stoopeed dum-s want to be a @@&&ing bully! 2 feet distance at 35 going down Cuamoo? What is wrong with you?

luckily it was me driving and not my wife -- SO YES, you got to do 5mph under the speed limit just because it is safer for both of us! You Fucn s-hol prik!

So after turning right I kept the right lane going slow going over Wailua river bridge to let you pass (from the point you dum s came behind me there was not a single spot for me to let you pass -- but NO! you F\$%#ing S hole decided to stay behind me and not pass. . .

And stayed at 2 feet behind the all way going south, until I had the first chance to pull over at the bay -- you passed me going from 35mph all the way up to 80mph -- when you got stuck 3 seconds later behind a small gray car 500ft later. . .

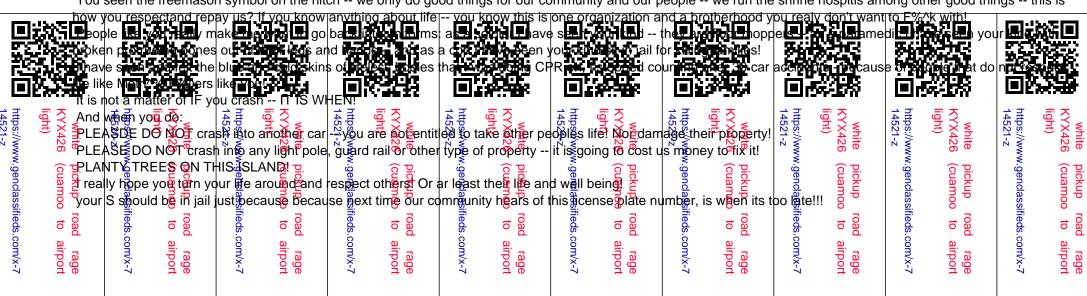

AND YOU DID THE SAME F&^*ING THING TO THEM! You F%^#ing inconsiderate F%\$k.

-You have zero respect to peoples life!

but guess what -- I pulled right back behind you - and now I got your license plate !!!

You seen the "BABY ON BOARD" sign from two feet away. . .!... im pretty sure of that!

You seen the freemason symbol on the hitch -- we only do good things for our community and our people -- we run the shrine hospitls among other good things -- this is

If it is your teenage kid driving -- please take great notice -- every word in this post here is true - take care of your kid! Think of that -- I would prefer to be shot with a handgun than being hit by a truck at 50mph -- think about it next time you drive a 4500 pound weapon! And with great ALOHA - keep our people safe
