My name is Serena and I am a seamstress. I own/operate Sew Joyful Creations here in Boise. I have around 20 years of experience with sewing (my grandmother started teaching me when I was 13!). I offer many different services:

- *Creating custom items such as decorative pillow covers, accesories for babies/kids, clothing, etc.
- *Alterations and Repairs
- *Upcycling (transforming an article of clothing into something new!)
- *Sewing classes for the absolute beginner and up

Please see the photos for examples of my work! If you are in need of a friendly and skilled Seamstress, or would like to learn how to sew, please call me today! I can be reached by phone or text at 631-9087, or hit the reply button above!

From now until the end of the year, I will be donating 10% (of the total profit from every order I receive) to buy materials and supplies needed to make items for child victims of abuse and neglect. By utilizing my services, you will also be supporting a child in desperate need!
