Contact us:

If you don't have time to do your house cleaning or if you want more time for yourself, we are the perfect solution to maintain your home or your office always clean.

We recognize that every home has special cleaning needs. During our first visit we will meet with you to create your home cleaning profile that contains all your special cleaning instructions for your home. Your home cleaning profile will help us to assure your house will be always clean according to your requirements. If you want to change your home profile just let us know.

We are committed to:

Honor God in everything we do, according to our Christian principles.

We are not house keeping service, we are house cleaning service. Sorry, we do not charge by the hour, the price is a flat fee.

Achieve a maximum customer satisfaction through excellence of service and a trust based relationship with our customers and employees.

Compensate our employees fairly enabling them to improve their standard of living.

Our highly bonded and insured team are fully supervised to make you the best service available. We provide the best cleaning service in the Boston area at the most competitive price. We also update you with cleaning news with 100% Satisfaction Guarantee.

Interior Cleaning Services

No matter what your house cleaning needs are, Wait Happy Cleaning provides the most thorough services performed by highly trained, honest and ethical staff.

Whether you need light cleaning of your apartment or a thorough deep cleaning of your entire home, you can depend on Wait Happy Cleaning to do the job to your complete satisfaction.

For busy moms it can be a monumental job to keep up with the kids, do the shopping, cook the meals and hundreds of other little jobs that fill their days and if they are working outside the home it's nearly impossible.

Busy singles have better things to do with their time than spend it on housework but without daily attention the dishes, laundry and clutter can pile up and become unmanageable.

Call now and make an appointment for a Free estimate.

Good prices. References.

Prices

Each home has its own personality.

The price is determined by the size of the place, length of time spent, the current condition of the home, how much work is specified to be done, in how long the cleaning will take to get done and other.
