I have the skills if you have the project(s). I have many years of spreadsheet experience dating back to Lotus 123. Microsoft Excel Expert 2003. I enjoy this work and am looking to take on your project(s). One project, or ongoing support. Why increase your payroll expense when you can hire me to take on your Excel needs.

Dynamic Excel-based tools, macros, pivot tables, graphs...

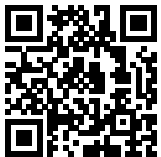

Mailing lists, de-duplicating, parsing, inventory reports...

Tell me what you want and I'll tell you what I can do. Or if you aren't sure what you want, I'll work with you to show you what Excel and I can do for you. Reply to this posting and let me take on your spreadsheet needs. Hourly rates or by the.
