Looking for a home for this beautiful 5mo pitbull puppy. He's a wonderful, well trained dog. He is house trained and has had all of his parvo shots as well as his rabies shot. He's great with kids and other dogs. LOVES attention! Has been mostly an outside dog so please don't buy him if you plan to cage him. Asking \$75 for rehoming fee. He's a great, loving dog that needs a lot of attention! Call/Text 804-4three2-94zero4 anytime.!
