

# Content Editor Needed to Manage Digital Strategy (fayetteville, AR)

Location

Arkansas

<https://www.genclassifieds.com/x-715184-z>

=====

We are seeking an Online Content Editor to join our team and manage our digital strategy. Duties include, but are not limited to: managing content for one website and assisting with content curation for another; maintaining an events calendar and organizing feature placement; producing weekly email newsletters; generating article ideas and managing a small team of online contributors; developing and maintaining a social media strategy; engaging with our online readership and responding to inquiries; writing articles, as needed; and coordinating and developing content ideas with other editors

This is a contract position with the opportunity to grow into a larger. Preferred applicants are those who have a background in journalism, content management, social media, and/or related fields.

Wish to apply? goto [?startfreelancing.us](https://startfreelancing.us) to start the process.
