I have a 1992 Ford F-150, 5.0L v8, automatic transmission, runs and drives good, its my daily driver, has 134K miles on it, Brand new tires, new starter, new plugs, wires, cap, rotor, the whole nine yards, new battery.. oil changed every 3k miles. solid running and driving truck. asking \$1800 or trade for small truck. looking for s10 or ford ranger... open to all trades really.. worse thing I can do is say no..

Can send more pictures...

TRADES all must be in running and driving condition. I don't want to work on something soon as I get it.. Thank
