Location **Maryland** https://www.genclassifieds.com/x-715216-z

Not only am a I caregiver but I am also the mother of two beautiful children. I want to make a difference! I want to be able to provide affordable childcare and really teach children many things. I will be providing breakfast, lunch, dinner and snacks, help with potty training, before and after school care, help with homework, an age based curriculum for each child, arts and crafts, pre school and kindergarten readiness, outdoor play when weather appropriate, a loving home away from home and so much more! I personally know how hard it can be when it comes to childcare with finding someone you can trust and at the same time is affordable!! There will be sibling discounts!

Price: potty trained 2 years old and up - \$25 a day or \$125 a week for fulltime infants and children under 2 not potty trained - \$30 a day or \$150 a week for fulltime

I am also willing to work with people if you have any questions feel free to call me, text or email :) Thanks you and have a wonderful!
